

Mobile, very light (less than 200 Kg), and equipped with wheels, the ERGOLIFT 650 lifting table can be moved very easily in the Bodyshop with the help of a manoeuvring tiller. The support arms are swivelling and have notched positions for better locking. The pads are adjustable in height to best fit all vehicles. This table complies with the EN 1493 standard, which is a prerequisite for insurance.
